# Opinion about the film

# Critical- thinking

*How does T.E. Lawrence's identity evolve throughout the film? In what ways do his experiences in the desert shape his sense of self?*

# Discussion

*Lawrence is often depicted as a heroic figure. What qualities contribute to this perception, and how does the film challenge or reinforce the traditional notions of heroism? Is Lawrence a hero, an anti-hero, or something else entirely?*

# Discussion

*Analyze Lawrence's leadership style. What methods does he use to gain the trust and loyalty of the Arab tribes? How do his approaches to leadership differ from those of other characters in the film, such as Prince Faisal or General Allenby?*
